

VMT Ecopack is successfully sold to conTeyor

- On 2 June 2017, VMT Ecopack was sold to conTeyor, a participation of Down2Earth Capital
- VMT Ecopack is a leading solution provider in returnable modular packaging systems with clients that are primarily active in the automotive industry
- The acquisition fits well with conTeyor's core business of producing re-usable textile packaging systems
- JBR Corporate Finance acted as M&A advisor to VMT Ecopack

VMT Ecopack is successfully sold to conTeyor

- Press release -

conTeyor International acquires VMT ECOPACK from Rabo Private Equity and Ox.

Elsloo, June 8th 2017

On 2 June 2017, the majority shareholders of VMT ECOPACK, consisting of Rabo Private Equity and Ox., reached a binding agreement with Down2Earth/conTeyor International on the sale of 100% of the shares to conTeyor.

About the deal

The acquisition of VMT by conTeyor creates a leading returnable packaging solution provider in both plastics and textiles. conTeyor has acquired VMT ECOPACK in the strategy to expand capabilities, capacity and competences in developing and manufacturing best-in-class returnable packaging solutions. With this important step forward conTeyor has further improved its global reach with consequent vicinity to its customers.

Joining forces of both companies will create a stronger market position with a consolidated turnover of about 70 million EUR and 350 employees.
